information on warranties, product training, door handing, and cleaning instructions. A color photo gallery of the company's product lines in an extensive array of installation environments is also included.

A new feature in this year's catalog is Special-Lite's Express Program, which offers expedited delivery and special pricing on their most popular doors—the SL-17 FRP Flush, SL-14 Medium Stile Monumental and SL-15 Wide Stile Monumental Doors. Program details and ordering forms are available.

### **About Special-Lite**

Based in Decatur, Michigan, Special-Lite manufactures complete entrance systems consisting of flush, monumental, colonial doors, panels and framing for new construction and replacement installations in commercial, institutional, industrial and municipal applications. The company was founded in 1971 and pioneered the use of FRP material for door skins in the early 1980's, and today is the largest volume producer of FRP doors in the United States. Special-Lite doors are the first and only entrance products to earn GREENGUARD™ Certification.
