**Subject:** Now Available! 2007 product catalog on CD provides full range of information on Special-Lite Entrance Systems

Special-Lite's 2007 product catalog on CD is now available, giving architects, designers, contractors, building owners and maintenance directors the complete range of information needed to evaluate and order the company's heavy-duty commercial entrance system products.

Based on Special-Lite's print catalog, the Windows-based CD provides exportable CAD drawings in AutoCAD® R12 DWG format as well as brochures and sales sheets; order forms for literature and samples; color selection, windload and deadload charts; and miscellaneous technical information on warranties,

-more-

product training, door handing, and cleaning instructions. The CD provides links to current specifications and product order forms on [www.special-lite.com](http://www.special-lite.com). A color photo gallery of the company's product lines in an extensive array of installation environments is also included.

The CD catalog also features Special-Lite's Express Program, which offers expedited delivery and special pricing on their most popular doors—the SL-17 FRP Flush, SL-14 Medium Stile Monumental and SL-15 Wide Stile Monumental Doors. Program details and links to the current order forms are provided.

For a copy of Special-Lite's 2007 Product Catalog on CD, contact your Special-Lite representative, call 800-821-6531, or visit [www.special-lite.com](http://www.special-lite.com).

### **About Special-Lite, Inc.**

Based in Decatur, Michigan, Special-Lite manufactures complete entrance systems consisting of flush, monumental, colonial doors, panels and framing for new construction and replacement installations in educational, commercial, institutional, industrial and municipal applications. The company was founded in 1971 and pioneered the use of fiberglass reinforced polyester (FRP) material for door skins in the early 1980's, and today is the largest volume producer of FRP doors in the U.S. Special-Lite's entrance products are the *first and only* to earn GREENGUARD Indoor Air Quality Certification<sup>®</sup>, including the stringent new Children & Schools Standard<sup>™</sup>.

The GREENGUARD INDOOR AIR QUALITY CERTIFIED Mark is a registered certification mark used under license through the GREENGUARD Environmental Institute.

Adobe®, Acrobat®, and Reader® are registered trademarks of Adobe Systems Incorporated in the United States.

AutoCAD® is a registered trademark of Autodesk, Inc. in the United States.
