Subject: New 2008 product catalog on CD provides range of information on Special-Lite® Entrance Systems

The Special-Lite 2008 product catalog on CD is now available, giving architects, designers, contractors, building owners and maintenance directors all of the information they need to evaluate and select the company's heavy-duty commercial entrance system products.

An electronic version of the Special-Lite print catalog, the CD provides exportable CAD drawings in AutoCAD® R12 DWG format; brochures and sales sheets; color selection, windload and deadload charts; and miscellaneous technical information on warranties, product training, door handing, and cleaning recommendations.

- more -

The CD catalog also features the Special-Lite Express Program, which offers expedited delivery and special pricing on their most popular doors—the SL-17 FRP Flush, SL-14 Medium Stile Monumental and SL-15 Wide Stile Monumental Doors. Program details are provided.

As a bonus, a color photo gallery of the company's product lines in an extensive array of installation environments is included.

For a copy of the Special-Lite 2008 Product Catalog on CD, please call 1-800-821-6531 or order online at www.special-lite.com.

About Special-Lite, Inc.

Based in Decatur, Michigan, Special-Lite manufactures complete entrance systems consisting of flush, monumental, colonial doors, panels and framing for new construction and replacement installations in educational, commercial, institutional, industrial and municipal applications. The company was founded in 1971 and pioneered the use of fiberglass reinforced polyester (FRP) material for door skins in the early 1980's, and today is the largest volume producer of FRP doors in the U.S. Special-Lite's entrance products are the first and only to earn GREENGUARD Indoor Air Quality Certification[®], including the stringent new Children & Schools Standard[™].

Special-Lite[®] is a registered trademark of Special-Lite, Inc.

The GREENGUARD INDOOR AIR QUALITY CERTIFIED Mark is a registered certification mark used under license through the GREENGUARD Environmental Institute.
