**Subject:** New 2009 product catalog on CD provides full range of information on Special-Lite® Entrance Systems

Special-Lite Inc. has released an electronic version of its 2009 product catalog to provide architects, designers, contractors, building owners and maintenance directors the complete range of information needed to evaluate and order the company's heavy-duty entrance system products.

This free CD includes the full Special-Lite print catalog plus expanded features such as exportable CAD drawings in AutoCAD® R12 DWG format; brochures and sales sheets; color selection, windload and deadload charts; and miscellaneous technical information on warranties, product training, door handling, and cleaning recommendations. A color photo gallery of the company's products in an extensive array of installation environments is also included.

- more -

The CD catalog also features Special-Lite's Express Program, which offers expedited delivery and special pricing on their most popular doors—the SL-17 FRP Flush, SL-14 Medium Stile Monumental and SL-15 Wide Stile Monumental Doors. Program details and links to the current order forms are provided.

For a copy of the Special-Lite 2009 Product Catalog on CD, please call 1-800-821-6531 or order online at [www.special-lite.com](http://www.special-lite.com).

### **About Special-Lite, Inc.**

Based in Decatur, Michigan, Special-Lite manufactures complete entrance systems consisting of flush, monumental, wood grain doors, colonial doors, panels and framing for new construction and replacement installations in educational, commercial, institutional, industrial and municipal applications. The company was founded in 1971 and pioneered the use of fiberglass reinforced polyester (FRP) material for door skins in the early 1980s, and today is the largest volume producer of FRP doors in the U.S. Special-Lite's entrance products were the first to earn GREENGUARD Indoor Air Quality Certification, including the stringent Children & Schools Standard.
