Subject: New 2010 product catalog on CD provides full range of information on Special-Lite® Entrance Systems

Special-Lite, Inc. has released the electronic version of their 2010 product catalog to provide architects, designers, contractors, building owners and maintenance directors the complete range of information needed to evaluate their heavy-duty entrance system products.

This free CD includes the full Special-Lite print catalog plus expanded features such as exportable CAD drawings in AutoCAD® R12 DWG format; brochures and sales sheets; color selection, windload and deadload charts; and miscellaneous technical information on warranties, product training, door handing and cleaning recommendations. A photo gallery shows their entrances in an extensive array of installation environments.

The CD catalog also features the Special-Lite Express Program, which offers expedited delivery and special pricing on their most popular doors—the SL-17 FRP Flush, SL-14 Medium Stile Monumental and SL-15 Wide Stile Monumental Doors. Program details and links to the current order forms are provided.

For a copy of the Special-Lite 2010 Product Catalog on CD, please call 1-800-821-6531 or order online at www.special-lite.com.

About Special-Lite, Inc.

Based in Decatur, Michigan, Special-Lite manufactures complete entrance systems consisting of flush, monumental, wood grain doors, colonial doors, panels and framing for new construction and replacement installations in educational, commercial, institutional, industrial and municipal applications. The company was founded in 1971 and pioneered the use of fiberglass reinforced polyester (FRP) material for door skins in the early 1980s, and today is the largest volume producer of FRP doors in the U.S. Special-Lite's entrance products were the first to earn GREENGUARD Indoor Air Quality Certification, including the stringent Children & Schools Standard.
