

# Product Training

Location: Special-Lite Training Center

## Strategies for successfully growing your business

Even though the Special-Lite product catalog contains valuable product information, one of the best ways to maximize your knowledge is to participate in one of our factory-based or on-site training sessions.

Special-Lite tailors its training sessions to your needs. The following pages give you an overview of what each class offers. Class sizes are kept small so you can see first-hand the engineering that goes into every Special-Lite entrance system, meet the people who put more life in every door we make, and learn how Special-Lite can help you grow your business.

For more information or to make reservations, call Craig Hartsell at 1-800-821-6531.

### Customers and Sales Reps

*2 days; at Special-Lite, Inc., Decatur, MI*
